

MiBANK EXPANDS TO MAPRIK

MiBANK continues to extend its services to rural communities in Papua New Guinea, collaborating with local businesses to enhance financial services access. Recently, MiBank launched a new agent in Maprik, East Sepik province. The event was facilitated by agent network manager Steven Ereman, who highlighted the collaboration with Marvelous Inn to establish this banking service. With over 200 MiBank agents across the country, MiBank is committed to promoting financial inclusion in rural areas, ensuring that people can access banking services close to their homes. These services include opening accounts, applying for new cards, making deposits and withdrawals, and loan repayments.
